SPECIAL NOTES:

PREFERRED START DATE:

There are 2 types of **Nationwide** policies; **GLOBAL & MEXICO ONLY**.

Who is eligible for Travel MedEvac Plans?

United States residents or those with a USA mailing address under the age of 85 in all 50 states, plus the District of Columbia, are eligible for Travel MedEvac Medical Evacuation Plans.

The **GLOBAL** policy covers the Insured anywhere in the world (subject to restrictions of war zones, etc.) whenever they are 150 miles from their home in the USA, so they have coverage **WITHIN THE US**, as well as the rest of the world.

The Nationwide **MEXICO ONLY** policy insures and cover legal RESIDENTS of the US while traveling in Mexico. That means **ONLY** inside the country of Mexico, and also returns them to their hospital of choice in the US or CANADA.

There are 3 types of **GBG** policies; **GLOBAL, EXPATS & MEDICAL TOURISM**

Citizens of any country traveling outside their home country, and EXPATS, can be insured under the GBG policies.

***Expats will NOT be covered when visiting their home country (Transport Preference Country).**

Medical Tourism Plan

Available to U.S. and Canadians only, this covers select elective cosmetic surgeries and dental procedures when someone travel outside their home country to Mexico, Central America, the Caribbean and the Bahamas.
