GLOBAL GUARDIAN

What You Should Know?

- + 1 in 13 people will go to the hospital each year
- + If you have a **injury or illness** and admitted to the hospital 150 miles (241.40 km) from home, needs medical evacuation, where do you want to be treated?
- + Many health insurance, travel insurance, premium credit cards don't provide the coverage you want should a medical evacuation be needed.
- + Do they cover a return to your home hospital of choice?
- + Are you prepared to deal with being hospitalized out of network for a long period of time, away from your doctors and family?

What You Should Know?

- ✚ The cost of arranging an air medical flight can cost anywhere from \$25,000 to \$150,000 out of pocket with payment required upfront.
- ✚ The costs are numerous, not just financially but the time to figure out who will transport them and securing funds to do so.

Plan Ahead

*If you are hospitalized with a **injury or illness** when away from home, away from your family, away from your doctors and away your healthcare network, do you have the right plan to bring you home?*

Global Guardian prepares your should the unthinkable happen.

- Peace of Mind
- Protects Their Health
- Protects Their Wealth
- Protects Their Time

Having A Plan Saves You Time, Money and Well Being

GLOBAL GUARDIAN

Why You Need It

- + Backed by Lloyd's of London, the world's leading specialty insurer, we have the resources to bring sick or injured members home from the farthest corners of the earth.**
- + Peace of Mind, If you find yourself in an international hospital, a third-world medical facility, or only a couple of states away, we'll fly you home to a hospital you know, to be treated by the doctor of your choice.**
- + Protect Your Life Savings, without our membership, it might cost you thousands or tens of thousands of dollars to pay for one of these flights out of pocket. Once you're covered, you never pay a dime more than your annual membership fee, and there's no maximum dollar limit on flights.**

Industry Experience That Exceeds Expectations

Why You Need It

- **Protect Your Family, the Caribbean might not sound like a bad place to recover from a heart attack, but imagine the cost to your family if they had to come be with you and stay in a hotel while you recover.**
- **You May Think You're Covered, many standard trip insurance and credit card policies will only fly you to the “nearest appropriate facility,” which may or may not be in your home country, and only if they deem it's a medical necessity. Read their fine print, then look for ours. You'll find we don't have any fine print.**

We'll fly you to any home country hospital you choose with NO surprise costs ... PERIOD!

Limit Restrictions, More Flexibility

Why You Need It

Live Life to the Fullest

- ➕ We're glad our members seek out adventure and don't let health problems hold them back. Unlike travel insurance policies, we welcome members who've had previous health problems.

We have **no** *“pre-existing condition”* limitations.

Choose The Plan That Fits Your Needs

GLOBAL GUARDIAN

Why You Don't Have It

- ⊕ Despite their best claims, most trip insurance policies, credit card companies, and health insurance policies **WILL NOT BRING YOU HOME!**

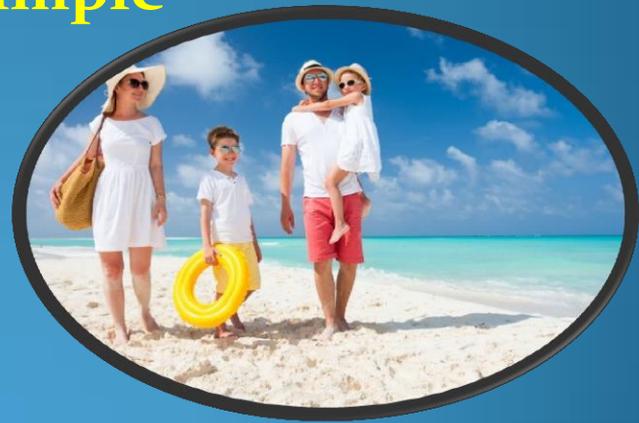

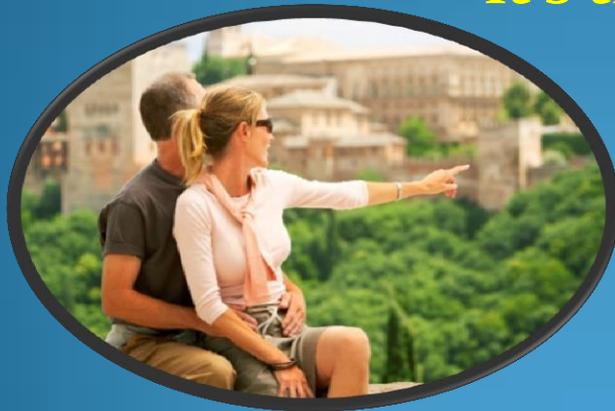

Affordable Peace of Mind

When You Need Us

- ⊕ If you are hospitalized more than 150 miles from home, either in the U.S./Canada or in a foreign country, and need to be transferred to another hospital as an inpatient, we arrange and pay for the medical and ground transportation to take you to the hospital of your choice in your home country.

It's that simple

GLOBAL GUARDIAN

When You Need Us

- + We coordinate with the hospital where you are located, with your regular doctor and with the hospital you want to go.
- + We handle all the details for you and no additional cost to you.
- + You call us and we take care of everything.
